SPARTANRESPONSE.COM

Spartan Response Open Course Training.

The **Spartan Response Training Division** offers our workplace safety training in an Open Course format.

Our Open Course training programs are designed for:

- **Individuals (Single Registration)** who wish to take training for their own personal development.
- **Organizations (Employer Registrations)** that require their employees to have specific workplace safety training that aligns with their role within the organization/municipality/industry.

We provide an exceptional learning experience. In addition to our instructors who bring years of industry experience, our facility is equipped with a large classroom that can hold up to 16 participants, and a training prop designed for programs that require technical skills assessments and the use of rescue equipment. Our programs include in-class theory, testing, assessments, course materials and a training certificate.

Most of our programs are Director Approved by the **Ontario Waste Water Certification Office (OWWCA)**, and provide participants with Continuing Education Units (CEUs).

Optimize Your Training Value.

To assist our clients with planning their training needs, Spartan Response recommends the following course selections to ensure they have all of the required training to meet safety compliance.

Confined Space Entry, Rescue & Respiratory Protection This course selection is recommended as it provides workers with the essential training and certifications needed to safely perform confined space work, meet regulatory standards, and address operational requirements. It equips participants with the skills and knowledge to identify hazards, ensure personal safety, and respond effectively to emergencies.	☐ Respiratory Protection ☐ SCBA & Mask Fit-Test (APR & SCBA) ☐ Lock-Out/Tag-Out ☐ Confined Space Entry (CSE) ☐ Confined Space Rescue (CSR)
Spill Response This course selection is recommended as it delivers critical training for managing hazardous spill scenarios, ensuring compliance with environmental and transportation regulations. Workers gain the expertise needed for containment, cleanup, and waste management to protect both people and the environment.	☐ Respiratory Protection ☐ SCBA & Mask Fit-Test (APR & SCBA) ☐ Basic Hazardous Spill Response ☐ Transportation of Dangerous Goods (TDG) ☐ Hazardous Waste - Regulation 347 (RPRA)
Handling Hazardous Waste This course selection is recommended as it is specifically designed for workers involved in the safe handling and transportation of hazardous waste. It ensures compliance with legal and safety requirements and emphasizes proper procedures to mitigate risks during transportation and disposal.	☐ Transportation of Dangerous Goods (TDG) ☐ Hazardous Waste - Regulation 347 (RPRA)
Fall Protection - Working at Heights (3M) This course selection is recommended as it prepares workers to perform tasks at height safely and in compliance with Ontario Regulation 213/91 (Construction Projects). The training focuses on fall prevention, proper equipment use, and meeting legal standards to reduce risks and enhance safety. (CPO/MOL Approved)	☐ Fall Protection - Working at Heights (3M) ☐ Ladder Safety
Fire Extinguisher & Ladder Safety This course selection is recommended for organizations who require employees to have awareness & safety training related to on-site Fire Extinguisher and Ladder use. It ensure workers are equipped to use the equipment competently and for EHS purposes.	☐ Fire Extinguisher Awareness Safety ☐ Ladder Safety ☐ SCBA & Mask Fit-Testing (APR & SCBA)

2026 OPEN COURSE CALENDAR

Spartan Response workplace safety training is delivered by our own qualified instructors with over 5+ years of industry experience. All training programs are held at our head office in Stoney Creek, and include course materials and a training certificate.

How to Register: Reserve your spot on our website, email info@spartanresponse.com or call 905-573-1010.

Payment: To secure your registration, open courses must be paid in advance (Credit Card or EFT).

Location: 234 Arvin Ave. Stoney Creek | Arrive 15 mins before class starts.

[*] Spartan courses approved for Continuing Education Units (CEU) by the [Ontario Water Wastewater Certification Office \(OWWCO\)](#).

[P] Participants must have the Pre-Requisite course in order to register.

COURSE NAME	DATE	TIME	[*]CEU VALUE	FEES (PER PERSON +HST)
